Re: Notification of Regulated Waste Activity
Penske Auto Center

Dear Ms. Chao:

Enclosed are (56) "Notification of Regulated Waste Activity" forms for the Pennsylvania Penske Auto Centers. For your information, the Kmart Auto Service Centers were bought by Penske Corporation and renamed Penske Auto Centers. The Kmart Stores will retain their EPA Identification Numbers since they will continue to generate hazardous waste. The Penske operation, located at the same physical address, will be generating degreasing solvents and brake cleaner and therefore will need a separate EPA Identification Number. Due to urgency, please process and assign EPA Identification Numbers in a timely manner.

If possible, we would appreciate a photocopy of the acknowledgement form so that we can enter the numbers into a computer database. If not possible to provide a photocopy, then we would ask that you provide the numbers by telephone or by Fax. My direct telephone number is (610) 775-6471 and Fax number is (610) 775-6442.

Thank you in advance for your assistance. If you have any questions, please contact my office.

Sincerely,

Michelle A. McMahon
Senior Environmental Engineer
